

THALGO

LA BEAUTÉ MARINE

The sea has a concentration of bioavailable minerals and trace elements – a source of vital energy for humans. In 1964, Andre Bouclet, a visionary pharmacist created THALGO, a laboratory specialising in treatments based on algae and marine extracts. Today, THALGO is a leading name from France that develops treatment protocols that revitalize body and mind.

MARINE FACIALS

Source Marine

– HYDRATE & STRENGTHEN –

This treatment is good for tired and dull skin. Essentially using products high in manganese combined with micronized marine algae filtrate loaded with 14 essential micronutrients to hydrate and strengthen the skin.

60 Mins // Rs. 6500 + taxes
